DUMPED

he'll become a better person now  
that she's dumped  
him

deep feelings will flush to  
the surface

making him more sensitive

making him stronger for when some

I'm the neighborhood prowler  
My feet aren't sore  
But I'm taking a short vacation  
Because of the unsporting way  
I've been treated lately  
Oh, I can tell by the giggling  
and gossiping  
Some of you like discovering  
Footprints outside your windows  
But you're gonna have to  
Turn off the flashlights  
and call off the dogs  
Or find yourselves another boy
